

Dear students,

We are excited to invite you to the **Inaugural International Global Health and Surgery Conference 2025**, a unique event that combines education, inspiration, and philanthropy. Taking place on **22–23 February 2025**, this conference is designed to spark a passion for global health and surgery among the next generation of healthcare professionals.

### Conference Overview

**Dates:** 22-23 February 2025

**Time:** 9:45am - 5:00pm both days (UK time)

**Location:** Online via zoom

**Theme:** We Are The World

Tickets are only £5 and can be purchased here:

<https://studentsunionucl.org/whats-on/events-activities/international-global-health-surgery-conference-2025>

### All conference attendees will receive a certificate

This two-day conference will feature leading global health and surgery professionals who will explore critical topics, including health equity, innovation, and tackling global disparities. Attendees will gain fresh insights into the challenges and solutions shaping the future of healthcare, while networking with peers and experts from around the globe.

**All proceeds will go to Gemini Untwined**, a global charity dedicated to providing life-saving surgical care and support to conjoined twins and their families. Your students will not only benefit from this exceptional educational opportunity but will also contribute to a truly impactful cause.

### Why You Should Attend

- **Expand Your Horizons:** Gain insights into global health and surgery, from innovation to advocacy.
- **Network with Leaders:** Connect with healthcare professionals and peers who share their commitment to making a difference.
- **Make a Difference:** Every ticket purchased supports life-saving surgeries and care through Gemini Untwined.

Whether you are pursuing studies in medicine, nursing, public health, or related fields, this conference promises to be an inspiring and enriching experience.
